

5 RUNNERS - 5000 GIRLS

100 CLASSROOMS

- **5 RUNNERS:** Beginning in the summer of 2010, runners will participate in a 5-member relay to run 5000 miles in Canada to raise awareness about the need to educate girls in Afghanistan and around the world.
- **100 CLASSROOMS:** Our goal is to build 100 classrooms. If 5000 people provided \$100 each, \$500,000 will build 100 classrooms for 5000 girls.
- **5000 GIRLS:** One hundred percent of the funds raised will be used to build classrooms in Afghanistan. These facilities will be dedicated to providing education for at least 5000 girls.

How You Can Help: Your participation in this project will help thousands of Afghan girls receive the education that they deserve to build their country and enjoy the freedom that education brings.
